## THANK GOD FOR AMERICA!

As you are well aware, November is the month in which Americans prepare for and celebrate Thanksgiving Day. It originated as a harvest festival. Thanksgiving has been celebrated nationally on and off since 1789, after Congress requested a proclamation by George Washington. It has been celebrated as a federal holiday every year since 1863, when, during the American Civil War, President Abraham Lincoln proclaimed a national day of "Thanksgiving and Praise to our beneficent Father who dwelleth in the Heavens," to be celebrated on the last Thursday in November.

The event that Americans commonly call the "First Thanksgiving" was celebrated by the Puritan Pilgrims after their first harvest in the New World in October 1621. This feast lasted three days, and—as accounted by attendee Edward Winslow—it was attended by 90 Native Americans and 53 Pilgrims. The New England colonists were accustomed to regularly celebrating "thanksgivings"—days of prayer thanking God for blessings such as military victory or the end of a drought.

It might be easy this year for many Americans to forget to thank God for our national blessings. Many Christians are angry about how secular ideas keep making headway in the United States. Many people got worked up over the Senate hearings related to the confirmation of Supreme Court Justice Kavanaugh. Many people have been angry and protesting via the #MeToo movement, #BlackLivesMatter, etc. Many people think they got a "bum deal" by being a citizen in the United States, and they want something more, or better, or they are just angry at America.

Christians may critique the government or its policies on occasion, but we should never fail to pray for and thank God for our rulers. Saint Paul writes: "First of all I urge that supplications, prayers, intercessions, and thanksgivings be made for all people, for kings, and for all who are in high positions" (1 Timothy 2:1-2). So whether the ruler, president, senator, congressman, city council member, or mayor is of your party or the other one; whether you agree or disagree with him

or her; we are commanded as Christians to PRAY FOR them and to give THANKS to God for them. This should be in our regular prayers, our Sunday prayers, but especially in our Thanksgiving prayers!

On this topic of the Christian's relation to government, our Lutheran Church-Missouri Synod has published an excellent resource through its "Commission on Theology and Church Relations." The treatise is titled "Render Unto Caesar...and Unto God: A Lutheran View of Church and State" (St. Louis, MO: LC-MS, 1995). You can download it in PDF format here: <http://www.lcms.org/Document.fdoc?src=lcm&id=360> Blessed Thanksgiving to you and yours!

Yours in Christ,

P.S. I am offering a class titled "The Holy Christian Church" to our school parents, starting in early November. I am also offering the class to our members and anyone else who is interested in the topic. It is intended to instruct the class about the basics of what all Christians teach, how churches differ in what they teach, and a bit of history that explains how the different Christian denominations around the world and in America came into existence. The class is offered on a "per request" basis, which means that if no one signs up, the class will not convene. I plan to meet once a week, on a weekday evening and time that works best for those who sign up. If you are interested in attending, please contact our office staff, and leave your name, phone number, email address, and preferred weekday evenings and times for meeting. I will get back to you as soon as possible, so we can set up a date for our first class for the first full week of November.

LIBRARY CORNER #11

220.3 Gouker, Loice -- DICTIONARY OF CHURCH TERMS AND SYMBOLS

Simple explanations of words used in the church.

248 Deen, Edith -- WISDOM FROM WOMEN IN THE BIBLE

Information on how women from the Bible were viewed about everyday life, marriage, children, home, and widowhood. Each story is applied to today's situations, and how we can confront our daily problems.

267.1 Williamson, Joseph -- FATHER JOE

God's Man in London's East End. He grew up in the worse slums of London before the twentieth century. After World War I, Joseph wanted to be a priest with the Church of England. Academically, he failed. But, he understood the people and knew how to talk to them. He brought the love of God into the miserable lives of the poor.

378.1 Svanevik, Michael -- CLASS ACT

College of San Mateo, A History. A college was needed between San Francisco and San Jose. In 1922, San Mateo had a population of less than 10,000. Documents from the beginning and over the next seventy-five years, interviews from faculty and students, photographs, etc., are all a part of the history of the College of San Mateo. Did you know at one time, there were 3 campuses? Where did the name come from? How did the social atmosphere change every decade? Current location opened in 1963.

920 Ruffin, Bernard -- FANNY CROSBY

Born in 1820 and blinded shortly after birth, this child grew up to "see the world" in a different way. The author "examines the major hymns and periods of her work, her role in American religious music, her fascinating relationships with many of America's prominent nineteenth century figures." Fanny was author to over 9,000 hymns, including "Safe in the Arms of Jesus, Blessed Assurance, Blessed Redeemer, and Pass Me Not O Gentle SAavior." Her life and ministry influenced thousands of people.

937 Dal Maso, Leonardo -- ROME OF THE CAESARS

Historical information tries to satisfy curiosities about life and customs of the ancients. Roman aqueducts represent the greatest triumph of Hydraulic engineering in all of history.

Oh, sing unto the Lord a new song!  
 Let us shout joyfully to the Rock of our  
 salvation.

Psalm 95:1

## Steinbeck Memorial Scholarship Fund

The CNH LWML Steinbeck Memorial Scholarship Fund was established in 1970 following the death of Verna (Mrs. Karl) Steinbeck. Verna was Mission Hospice Chairman of the CNH LWML for 23 years, serving as host to missionaries and their families as they passed through the San Francisco area on their way to and from foreign mission fields.

The Fund is specifically designed to assist in *furthering the education of the children of overseas missionaries*. Recipients must be high school seniors or older, plan to attend an institution of higher education in the United States, must provide grade transcript, a brief autobiographical sketch and statement of goals.

The CNH LWML Board of Directors selects the recipients and administers the fund. Money for this fund comes from love gifts, CNH LWML convention offerings and interest from our Church Extension Fund (CEF) notes.

## The First of Thirteen Isabel Sovitzky 2018 Steinbeck Scholarship Recipients

To all those who contributed to the Steinbeck Scholarship,

I would like to thank you for the financial assistance. I live in Prague, the Czech Republic, where my father worked as the business manager for the Eurasia region of World Missions. He now serves as the regional business manager for Asia. Life in Prague is amazing in some ways and alienating in others. Nobody can resist the beauty of the

city itself; it is wonderful to be able to stroll through a medieval old-world city on the way home from a mundane errand. It's easy to travel and one never runs out of fascinating history to learn. Living here also taught me how to communicate. Because of the cultural barrier, you cannot assume that the other person will interpret your actions correctly. Witnessing bizarre and often hilarious miscommunications taught me not leap to negative conclusions about people's behavior. On the other hand, the Czech Republic is 97% atheist, which means congregations are small and I have few Christian friends. At times, it can feel incredibly lonely. Outreach can be difficult because most Czech friendships develop slowly. However, Prague has a large English-speaking expatriate community and our English-speaking congregation attracts a lot of visitors.

When the time came for me to graduate high school, I heard of the opportunity to study for a B.A. in Liberal Arts and Humanities at Charles University. I have just completed my first year. This school was established in 1348, making it the oldest in Europe. This degree enables me to study courses purely for personal development, such as economic reasoning, logic, specialized history classes, and musics of the world. This coming semester, I will study on exchange in Tuebingen Germany, another old European university which has a very good theological faculty where I will take Biblical Greek. After this three-year degree, I hope to return to the U.S. for an additional year of psychology courses before continuing to master's school. If God wills, I hope to become a marriage and family counselor. I want to make God's word the basis for my work, so that Lutheran families receive guidance in accordance with God's will. I am very thankful for your assistance in pursuing this goal.

Regards,  
Isabel Sovitzky

**Pray for**  
**RICHARD AND SARAH SOVITZKY**  
**BUSINESS MANAGER**  
**SERVING THE LORD IN THE EURASIA REGION**

Richard and Sarah Sovitzky serve the Lord as missionaries through The Lutheran Church—Missouri Synod (LCMS) in the Eurasia region, based out of the Czech Republic. As the Eurasia region's business manager, Richard works closely with the Eurasia regional director to manage the financial and business affairs of the LCMS in this part of the world. More specifically, Richard's duties include supporting all LCMS missionaries serving in this region and working with local church partners on long-term mission projects.

Richard was born in West Allis, Wis., and Luther Memorial Chapel, Shorewood, Wis., is his home congregation. He received a bachelor's degree in accounting and a master's degree in management information systems from the University of Wisconsin-Milwaukee. Before becoming a missionary, he was a partner at Chortek, LLP, an accounting and information technology consulting firm based in the greater Milwaukee, Wis., area. In his free time, Richard enjoys distance running, cross country skiing, windsurfing, traveling, reading and live theater.

Sarah was born in Kenosha, Wis., and her home congregation is also Luther Memorial Chapel, Shorewood. She received a bachelor's degree and a master's degree in speech language pathology from the University of Wisconsin-Milwaukee. Before heading to the mission field, she worked in speech language pathology and also homeschooled her children. Sarah's hobbies include reading, dancing, live theater and the Irish whistle. Richard and Sarah have eight beautiful children – Isabel, Richard, Nathanael, Ronan, Ulrich, Donovan, Rhiannon and Elspeth – who join them on the mission field.

Please pray for the Sovitzkys as they move to the Czech Republic and serve in the Eurasia region. Pray God gives them strength and peace as they transition to life overseas, learning the culture and the language so they may effectively communicate the Gospel. Ask God to provide a smooth transition for the children in particular. Please also pray the hearts of people here in the United States are moved through the power of the Holy Spirit to pray for and to financially support the Sovitzkys so they can "go with" this family on this journey of faith.

## LOOKING BACK...LOOKING FORWARD

October was a month filled with activities and events! The month 'kicked off' with the Scholastic Book Faire where parents, students and our church members shopped for literature of their choosing. With your support, we had our best year yet for sales! Our thanks to the Parent/Teacher League whose support provided classroom materials, helping to fulfill the teachers' 'wish lists'. These wish list items benefit our students directly in their daily reading and reading skill development!

After a relaxing four day weekend, which combined Parent/Teacher conferences and Columbus Day, students and families returned with vigor to play games and taste the flavors of fall at the Harvest Festival. A fun-filled time was had bidding on donation baskets and items from the annual fund-raiser of the Silent Auction.

But let's not forget Outdoor Ed. where the upper grades spent a week at the High Sierra Outdoor Institute exploring the biological systems and developing their observation and perception skills of the world around them. And how does that compare with the trip to local Fire Station #23 where our little scholars learned the importance of our local heroes?

All of these important experiences grow budding, young minds and help our children to understand the world around them; an important part of development!

The month came to an end with the study of the Reformation and Reformation Vespers, which leads us right into 'All Saints Day', November 1st.

November promises to go by in a 'flash' as we study the history of our country and learn about the contributions of the Pilgrims. While the diversity of our school lends itself to unique celebrations, we all are thankful to God for His great blessings. During the week of November 19<sup>th</sup>, we will take time to celebrate as our teachers attend the District Teachers' Conference which is coupled with Thanksgiving Day; join us back on November 26<sup>th</sup> as we close out the month!

We, at Grace Lutheran School, are thankful that your student and family are a part of the Grace family. As always, if there is something we, at Grace Lutheran School can do to make this academic year a more positive experience, let us know! We are always excited to hear new ideas and help shoulder your concerns. If you know of someone looking for an intimate setting for their student, please refer them to Grace Lutheran School.

'Word of mouth' referrals are often the best endorsement for our school.

### GLS VOLLEYBALL AND BASKETBALL THE BENEFIT OF MOVEMENT

In an article entitled "Teaching Kids About Exercise", (<https://www.verywellfamily.com/exercise-for-kids-teach-the-importance-of-activity-1257096>), the author writes, "Children were born to move,"...movement helps kids develop not only their bodies, but also their brains, their ability to learn, and their social skills. "It impacts not only physical development, but cognitive, social, and emotional development—the whole child."

Given the above, it comes as no surprise that Grace Lutheran School offers Volleyball and Basketball during this time of year to our students. These physical activities allow for full- body, cardio movement, physical development and socialization with their peer group. Additionally, these activities challenge the brain to adapt with other non-academic forms of development such as time and space.

If you ask our students why they play, you will hear that 'it is fun', 'provides experience', 'because I am good at it', or because 'my dad wants me to'. Whatever the reason, we know that God has given us our bodies to care for. Encourage your child to care for their bodies through movement!

Check the **PIN** for the list of our sports events and activities!
