## **At Grace We Develop the Whole Child.**

Spiritually • Academically • Physically • Emotionally • Aesthetically • Socially

- Academic excellence with focus on core subjects – math, science, history and grammar
- A Christian and family environment. Religious instruction and weekly chapel services
- A high-value education at fair cost. Scholarships available.
- Full-day kindergarten translates into prepared students and early readers
- Grace graduates excel in top public and private high schools
- Small student-to-teacher ratio for the attention your child deserves
- A multi-cultural community of learners—we promote respect in others and ourselves
- State-of-the-art computer lab. Spanish and Latin languages builds minds
- Before and after school care only \$3.75 per hour
- Excellent musical and performing arts build confidence. Students participate in choirs, plays, recitals, Christmas programs and more. Piano and voice lessons available during school hours.
- Parental involvement is tradition at Grace. Children learn better when parents are involved
- Teachers help students develop a self-image of success and desire to learn
- Our school & church setting is a special place where people care about your family
- Participate in Lutheran Athletic League and have volleyball, basketball and track teams
- Part of a Nationwide community of outstanding Lutheran Schools
